TRANSFER AGREEMENT
between
CENTRAL CAROLINA TECHNICAL COLLEGE and ECPI UNIVERSITY

This Agreement is entered into between
Central Carolina Technical College's Associate of Applied Science in Computer Technology
and ECPI University's Bachelor of Science - Computer and Information Science.

It is mutually agreed upon:

ADMISSION AND GRADUATION REQUIREMENTS

A. ECPI University admission and program admission requirements apply to both direct entry students and to students who transfer under this agreement. Additionally, upon completion of the requirements of this agreement, Central Carolina Technical College(CCTC) students transferring to ECPI University will be guaranteed admission to ECPI University and receive priority acceptance into the program/college/school of intent.

B. Students accepted into ECPI University must fulfill the ECPI University program/award graduation requirements.

C. Both CCTC and ECPI University agree to inform and train academic advisors concerning the terms of this agreement and the transfer of courses and programs between the institutions. Advisor names and contact information will be given to each institution.

D. Students who transfer from CCTC through this program will receive a transfer scholarship of $1,500 per semester or $3,000 per academic year for full time registration, making their cost of attendance equivalent to that of other public Universities in South Carolina.

E. ECPI University shall waive all application and registration fees for CCTC students who enter ECPI University through this program.

PROMOTION OF AGREEMENT

A. Both CCTC and ECPI University agree to promote this agreement to students at all CCTC campuses by means of a marketing strategy approved by both institutions. A review of this marketing strategy will take place annually.

B. For purpose of this agreement, ECPI University grants CCTC, and CCTC grants ECPI University, permission to use, display, reproduce, and publish without compensation each other's trademarks as an institutional partner on websites, cobranded web portals, and in print marketing publications.

C. ECPI University and CCTC will provide electronic versions of the Trademarks for the use permitted by this agreement. Each party represents and warrants that it possesses all rights necessary for the granting of the permissions set forth in this agreement.

D. Each institution reserves the right to review in advance any information including but not limited to, websites, cobranded web portals, and in print marketing publications.

E. ECPI University will be given access to CCTC students at all campuses for the purpose of recruitment and promotion of this agreement.

F. ECPI University will promote agreement for students not accepted directly to their institution.

STUDENT RESPONSIBILITIES OF AGREEMENT

A. Students desiring to take advantage of the terms of the transfer agreement must complete all requirements to enjoy the rights and privileges of the agreement.

B. Students who enter into this transfer agreement will be guaranteed the rights and privileges outlined in the agreement once the agreement is signed and contingent upon their strict adherence to the requirements (both curricular and non-curricular).

C. Signed agreements will be sent to ECPI University and a copy kept in the PATH office of CCTC.

TRANSFER OF CREDITS

A. ECPI UNIVERSITY will accept credit hours from CCTC's Associate of Applied Science in Computer Technology (Network Administration Track) to apply to its Bachelor of Science Computer and Information Science. ECPI University will accept up to **69** credit hours from CCTC that meet the requirements of the Bachelor of Science - Computer and Information Science.

B. Courses will transfer as described in the Transfer Worksheet included in this Transfer Agreement.

C. Both colleges will encourage and promote completion of the associate degree prior to transfer.

D. Courses completed at ECPI UNIVERSITY may be used within graduation guidelines for CCTC to complete reverse transfer and award of certificates, diplomas, and degrees from CCTC. Both institutions agree to share transfer data and student success data to be used in joint assessment activities and agreement evaluation processes.

E. ECPI University's Office of Enrollment Services and CCTC's Office of Student Records will maintain communication to promote seamless reverse transfer.

TERMS OF AGREEMENT

A. The Chief Academic Officers or designees of the parties to this agreement will implement the terms of this agreement, including identifying and incorporating any changes into subsequent agreements, assuring compliance with system policy, procedure and guidelines, and conducting an annual review of this agreement.

B. Program curriculum and requirements listed in the Program Transfer Table are subject to change. Each institution agrees to make any changes known to the other.

C. ECPI University and CCTC will ensure that they maintain accreditation with appropriate regional accrediting body to ensure that all operations meet with accreditation requirements of the two institutions.

D. This Transfer Agreement is effective on **April 1, 2017** and shall remain in effect for five years unless terminated or amended by either party with 90 days prior written notice.

E. This Transfer Agreement will be reviewed by both parties as required but at least annually beginning on or after **April 1, 2017.**
